- May be nominated by an SAC member or associate or the general public

Nomination Tips

- 1. Plan Ahead**
Start preparing your nomination well before the deadline – the more time you leave yourself, the better! Review this package carefully before beginning so you know what you need. Take care in preparing your nomination and be sure to follow all instructions.
- 2. Work With Your Nominee**
Ask for information that you can include in your nomination package. This can include newspaper articles, published works, research, projects or photographs. Also ask your nominee for his/her résumé or CV for additional information that could be used in the nomination. If you're worried about gathering all the information on your own, make it a team effort! Get help from colleagues, clients, parents, supervisors, or others.
- 3. Be Detailed**
Judges can only score your nomination based on the information you provide in the package; so, you must assume they know nothing about the nominee. Avoid general, unsupported statements – provide specific, concrete examples to support your points. Scores are based on the criteria in the "Support for Nomination" section; so, use them as a guide in preparing your answers. Be sure to answer all questions completely and accurately and check your application for grammatical, spelling, and typographical errors.
- 4. Submit on Time**
You can send in your nomination package by email or regular mail by November 31, 2021. Before submitting your nomination, make sure that all important information (including your supporting documentation) is included within your submission.
- 5. Persevere**
If your nomination is not successful this year, apply again! You can ask the Awards & Recognition Committee for comments and feedback from your evaluation so you know what to improve on before you re-submit. You can also request that your nomination package be returned if you need the information to re-apply.

Please contact michaela@sac-oac.ca if you have questions about your nomination. SAC will confirm receipt of all nominations, so please follow-up if you do not receive confirmation.

Please note: all completed nomination forms and accompanying material become property of SAC.

This nomination must also be accompanied by the following:

- **ONE** other piece of supporting documentation, (e.g., certificate of achievement, newsletter article etc.), no longer than one page, which clearly highlights or demonstrates the nominee's achievements. More than one document will not be considered. Your supporting document should supplement the information contained in the letter of support, not serve as a substitute.
- Nominee's CV

Please ensure that **ALL** required documentation and supporting materials are included with this submission.

Support for Nomination

Please write a letter of support of **2,000 words or fewer** to explain why this nominee is deserving of this award. Be sure to answer each of the following questions in your letter (nominations will be evaluated on each of these questions):

- How has the nominee demonstrated an outstanding level of service in one or more of the established areas of consideration – administration, education, volunteer work and/or clinical services? (5 points)
- How has the nominee demonstrated significant service/involvement with SAC? (5 points)
- How has the nominee demonstrated significant service/involvement in professional activities? How have they contributed to the advancement of the professions? (5 points)
- How do their contributions have historical longevity and lasting impacts? (5 points)
- Is there any additional information you feel may be relevant to your nomination?

Please provide a word count with your letter of support.

Please ensure you have carefully reviewed the awards webpage and nomination form, and are aware of all requirements, conditions and limitations for application. Please take time and care in preparing your nomination. Candidates are comparatively judged based on the strength, quality and comprehensiveness of your submission. A good candidate with a sub-par nomination package may go unrecognized. Current SAC staff and current members of the Board of Directors are not eligible for awards.

Completed application forms must be **RECEIVED** by email michaela@sac-oac.ca or by mail to 1 Nicholas St., Suite 1000, Ottawa, ON, K1N 7B7 by the deadline.
