Speech-Language Pathologists (S-LPs) are Essential Members of Education Teams

Speech-language pathology services support academic success, as well as the social and emotional well-being of students.

S-LPs assist students with:
- ✔ Reading
- ✔ Listening
- ✔ Vocabulary
- ✔ Speaking
- ✔ Social Skills
- ✔ Feeding & Swallowing
- ✔ Augmentative and Alternative Communication

How we help:

**Prevention**
Our interventions can prevent literacy and secondary behaviour problems.

**Collaboration**
We contribute to educational goal setting, planning and curriculum accessibility.

**Modelling**
We participate in team teaching and model intervention activities to caregivers and other educators.

**Adaptations**
We recommend task adaptations that help students succeed.

**Screening & Assessment**
Group-administered or one-on-one screenings and assessments guide our interventions and inform school placement decisions.

**Identification**
We identify speech, language and communication challenges that directly impact student success.

**Intervention**
Our evidence-informed interventions include individual treatment, small and large group instruction, as well as consulting with other educators.
