

## Submission Form — Speech-Language & Audiology Canada Awards Program 2018

**Award:** Student Excellence Award

**Deadlines:** **December 8, 2017: Peer Nominations due to Student Representatives. December 31, 2017: Top three nominations (in each program) presented to program directors/faculty advisors. January 15, 2018: SAC to be advised of the selected winners for each program.**

**Objective:** Awarded to an SAC student associate in their graduating year of Master's study, in **each** of the S-LP and audiology training programs in Canada. Nominees are judged to be the best all-round future professional, shall have shown significant enthusiasm for their profession and have instilled in others a desire to contribute to the development and growth of the professions. Selection is based on a peer nomination process with student recommendations forwarded to Student Reps. Names of the three most nominated individuals are presented to University faculty advisors who are responsible for choosing the final winner based on clinical ratings, leadership qualities and grade point average. One faculty advisor must sign and submit this nomination form. Winners will receive a complimentary continuing education voucher for use towards SAC's professional development opportunities. **This submission form is for the express use of university program directors/faculty advisors only.**

**Nominee Information** *Please provide both a permanent home address as well as a school address, noting dates in residence at each.*
